Tinto 2016

*This is the first wine we crafted in our winery (vintage 2003) . The snail has become the icon of our winery and our small tribute to the patient walk of the snail and the wine projects.
It matches perfectly with red meats as well as cured cheeses and sausages.*

VINIFICATION

The different grape varieties are vinified separately. The grapes are hand picked, crushed and destemmed prior to fermentation in our concrete vats, with control of temperature and fermentative maceration for two weeks.

AGEING

The malolactic fermentation takes place in Hungarian and French oak barrels. The wines are aged afterwards in the same barrels for 11 months with two of "bâtonnage".

TASTING NOTE:

- **Colour:** Medium high intensity with ruby colour
- **Nose:** we find ripe berries with balsamic aromas and Mediterranean notes like lavender. A mineral background as well.
- **Mouth:** We can taste red and black berries as well as fig notes. Hints of oak on a fresh mineral background. A rounded up wine with soft tannins.
